## Criterion 4 - Infrastructure and Learning Resources

### 4.1 Physical Facilities

#### 4.1.2 The institution has adequate facilities for sports, games (indoor, outdoor), gymnasium, yoga centre etc and cultural activities.

##### Response:

A sound mind coupled with a strong physique is the key to success. Sports activities occupy a significant part of the college curriculum in GIFT. Large playing fields support a wide variety of games, such as Cricket, Football, Handball, Basket ball, Volleyball, Throw ball, Kho-Kho, Kabadi and Badminton etc. There are also dedicated spaces for indoor sport, including Table tennis, Weight lifting, Power lifting, Chess, Carom and T.T. etc. Our outdoor facilities include a 200 meter athletic track and courts for Basketball, Volleyball, Handball, Throw ball and Badminton. GIFT also has an indoor gymnasium facility with areas marked for Yoga, Weight training and Cardio exercises.

In GIFT, a specific no of well qualified and proficient PETs is appointed to impart training the students & to make them participate by forming the college teams in state level, university level competitions and other intercollegiate competitions. Students are encouraged to take part in sports activities after the college hours. Sports event competitions are conducted in the interdepartmental level in an academic year and the winners are awarded.

Students with a passion for music and dance are encouraged to perform/ take up training in these arts during the hobby classes. Faculty with skills in any of these arts ably support students through musical night program, annual cultural festival and motivate them for competitions held outside.

A musical night program is a nice concept adopted here in GIFT to create a competitive environment among the students. To make it practically realistic all the students are subdivided between 06 no of houses i.e. Anand, Bhaba, Behera, Khosla, Kalam & Viswess. The student admitted in the house in the first year shall continue in the same house until passing out from the institute. At least one musical night for each of the houses shall be conducted in an academic year. Proportionate representation for performance shall be given to all courses (Diploma, M.Tech, MBA, MCA, Engg), and all student of all years shall be proportionally represented in all events. The duration of musical night program is max 02 and half hours, and shall be closed before 7:15 PM in winter and 7:30 PM in summer season. The winner house is used to awarded in the annual cultural function.

Odisha's grandest and 'most popular college festival, LELLIHAN is used to organize at Gandhi Institute For Technology (GIFT), Bhubaneswar every year. A daylong extravaganza event organized by Creative Arts and Cultural Society touched the lives of all who were involved and visited the fest. With a thunderous line-up of cultural events and competitions topped with engaging workshops, LELLIHAN is used to be crowd pleasing to every circle of students. The event witnessed a footfall of approximately 3,000 students.
