The students explore different modules and learn the theoretical aspects and practice the lessons individually and in groups. **STARTING DATE:** 4 th November, 2018  
**END DATE:** 10 January, 2019

For a completely healthy bodily function, both yoga and meditation are of great importance, practising yoga can improve physical as well as mental health of an individual whereas meditation provides peace of mind and control over the body. Through meditation and yoga, we tend to control adrenaline level as well as the stressors that cause it and can contribute directly to anxiety, nervousness and the distracting mental chatter that can build up when we are stressed out.

We, at GIFT provide regular classes for yoga and meditation on every fortnight on a Thursday. Students are divided house wise to participate in the yoga classes and meditation inside the main Conference Hall.
